1979 ATC 110 Spark

Download Free 1979 Honda Atc 110 Manual

Issue. I have a 1979 Honda ATC 110 that I can't get a spark out of. I replaced the points, set the point gap, and set the firing time all to standard settings. I found a manual online for specs. I even replaced the ignition coil. All the wiring appears okay and is connected properly. I checked it against the wiring diagram.
