ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

90 Hp Mercury Outboard Engine

The Mercury 115 FourStroke is quieter than a competitive 115hp four-stroke across the rpm band. At idle, the Mercury is four decibels quieter than the competition – the competitive outboard is 25% louder. At cruising speed, where normal conversations occur, the competitive outboard generates almost 15% more noise.
