Century 512

A History of Histories is an idiosyncratic work filled with a kaleidoscope of insights that derive from the author's broad education and lifetime of reading. At his best, Burrow seems like an animated tour guide pointing us to histories that we have never read and never will read: "Bet you've not thought about William Robertson.

Epic History TV - YouTube

The written history of New York City began with the first European explorer the Italian Giovanni da Verrazzano in 1524. European settlement began with the Dutch in 1608. The "Sons of Liberty" destroyed British authority in New York City, and the Stamp Act Congress of representatives from throughout the Thirteen Colonies met in the city in 1765 to organize resistance to British policies.
