### **A Very Short, Fairly Interesting and Reasonably Cheap Book ...**

I like "A Very Short, Fairly Interesting and Reasonably Cheap Book About Studying Leadership" by Brad Jackson & Ken Parry as it is ideal to use for teaching my leadership students. It poses good questions, provides good links to relevant resources, and doesn't try too hard to provide all the answers. It provokes rather than closing down discussion.

### **A Very Short Fairly Interesting and Reasonably Cheap Book ...**

"Very Short, Fairly Interesting" is British understatement if I've ever heard it. If you're studying business or organizational management, this book succinctly lays out the philosophic tensions that underlie much of modern theory, and in doing so, lends sense to the many conflicting business remedies being thrown about today.
