Aftermath Denise Grover Swank

Denise Grover Swank is a writer who never lets down her readers, and AFTER MATH is no exception. She paints vivid portraits of two college students struggling to find a way to not only let go of their pasts but to figure out how to move forward without letting negativity and fear ruin their futures.

After Math (Off the Subject, #1) by Denise Grover Swank

After Math is one of those books that surprises you at ever turn. I was not expecting to love it as much as I did and it's a testament to the talent of Denise Grover Swank. I don't think there is a genre she can't write. After Math is a new adult romance that does not have over the top angst, which I loved. I not much of an angsty girl.
