Founded in 1966, Alpine Guides is New Zealand's longest established mountain guiding company. Our philosophy is built on the lessons learned from decades of guiding in one of the world's most dynamic mountain areas. We have fostered generations of climbers, skiers and mountain guides, offering opportunities for adventure and personal growth.

### Alpine Guides, Aoraki Mount Cook, New Zealand

Alpine guides are mountain guides who practise their profession in the Alps of Austria, France, Germany, Italy, Liechtenstein, Slovenia and Switzerland.. See Category:Mountain guides for guides who practise their profession elsewhere in the world.

### Category:Alpine guides - Wikipedia

The "Complete book of alpine gardening" is very informative and has an easy way of showing the reader each individual plant, whilst encouraging them to try other varieties of the same plant. The information for looking after your alpine plant is good because it covers those people with a small plot with just a container or raised bed and also those who have an "alpine house" for their plants.

Alpine Lakes Wilderness Guide book review: useful features. Hiking gear should be designed with useful features to help you achieve your objectives. I include hiking guide books on my gear list as essential tools in the planning phase for a season of day hikes and multi day backpacking trips. Some guides are more useful than others in this regard.
