Introduction. ⇒ Administrative law is about the public administration of life, in the sense that the state regulates what we do. ⇒ It is mainly about principles or notions of good governance, fairness, accountability, transparency, the rule of law, parliamentary sovereignty, legality, and comity or respect for public office.

Introduction to Administrative Law Notes | Digestible Notes

Administrative law is the study of governance. While Congress creates authority, the President enforces that authority, and courts confine or discipline the exercise of that authority, it is agencies that govern. That said, the starting point for many administrative law cases is an act of Congress that allows the agency to function.
