Art As Performance Story As

Art as Performance, Story as Criticism is Craig Womack's answer to these questions. Inventive and often outrageous, the book turns traditional literary criticism on its head, rejecting distanced, purely theoretical argumentation for intimate engagement with literary works.

Art as Performance, Story as Criticism: Reflections on ...

Summary of Performance Art. Performance is a genre in which art is presented "live," usually by the artist but sometimes with collaborators or performers. It has had a role in avant-garde art throughout the 20 th century, playing an important part in anarchic movements such as Futurism and Dada.

Art as performance, story as criticism; reflections on ...

A pioneer of contemporary art since the 1960s, Chris Burden is one of the most acclaimed and outrageous artists in art history. Mostly known for his Performance Art, he dedicated his life to the exploration of the body's limits to suffering. Although he was mostly drawn into producing art concerned with pain, Burden also explored other matters, including the value of art and the role of the ...

Performance Art - The Art Story Blog

human discourse involves the telling of stories. A response to very ordinary conversations results in the recounting of a story. Throughout history stories have been told in many ways: through music and drama, through dance and literature. This unit is designed to introduce learners to storytelling as a performance art in its own right.
