### Between Monopoly And Free Trade

Between Monopoly and Free Trade locates the source of that success in the innovative policy by which the Company's Court of Directors granted employees the right to pursue their own commercial interests while in the firm's employ. Exploring trade network dynamics, decision-making processes, and ports and organizational context, Emily Erikson demonstrates why the English East India Company was a dominant force in the expansion of trade between Europe and Asia, and she sheds light on the ...

### **Between Monopoly and Free Trade: The English East India ...**

In Between Monopoly and Free Trade: The English East India Company, 1600-1757, Emily Erikson, a sociologist, traces the institutional features that, she contends, enabled the success of the English East India Company. The type of statistical modeling and data analysis Erikson employs may be unfamiliar to many historians, but her central question is not, and her answers are provocative.
