"Building Assets in Congregations is a significant contribution to the youth development field. The structure and format of the guide make it portable for reaching the large network of religious workers across the country." —Jewell Dassance, director of children and family development, Congress of National Black Churches

Building Assets in Congregations: A Practical Guide for ...

A church's property is one of the greatest assets it has for its community. One way churches can use the resources in front of them is to creatively use their space. Buildings can be turned into assets simply by getting rid of what is useless and making room for the new thing God wants to do in the space.
