California Professional Engineers Take Home Examination

It's based on the Professional Engineer's Act and the Board Rules. There are 25 questions and you must get at least 70% correct. If you don't get 70% the CA State Board will still process your application and allow you to sit for the PE Exam, but you will need to pass the take-home test before you get your PE Registration. Link, if interested.

Take home examination - CA - Anything about the PE Exam ...

The Board regulates the practices of engineering and land surveying in the state of California by evaluating the experience and administering examinations to prospective licensees and by enforcing the laws regulating licensed professional engineers and land surveyors. Includes links to laws and rules regulating the two professions.

I know people are going to laugh, but I managed to pass the Transportation PE in California, but I did not do the Take-home exam. (I figured I had no shot at passing so I would put it off) I spent Two Hours Sunday night combing the Board Rules and Professional Engineers Act, and still am not sure about a number of questions.
