Cinematic Storytelling

The Kindle version of Cinematic Storytelling is disappointing. There are still photo screen shots to illustrate the author's points, but the photos are placed several pages away from the text that discusses them. Whoever formatted the Kindle edition does not respect the importance of visual information, which would be ironic in a book about ...

Cinematic Storytelling: The 100 Most Powerful Film ...

Cinematic Storytelling would It enumerated the basic elements of the film language, showed some examples but did not go into too much detail. I would have appreciated the chapters longer instead of just listing in the end films which could be also examples of a particular element without any further analysis.

Cinematic Storytelling by Jennifer Van Sijll
