Ethiopia's "human development index" score has steadily increased over the past decade, but its "participation and human rights" score has remained stagnant. While election of new leadership of the ruling party has brought forth a surge of optimism in most quarters that democratic space will expand, stability is still fragile as ethnic and identity-based conflict prevails.

This week we're thinking about Democracy in Crisis. Now if we're talking about American Democracy, then our title is pretty optimistic, since it presupposes there is an American democracy to be in crisis. If you told me the passenger pigeon was in crisis, that would also be optimistic, since the passenger pigeon went extinct a century or so ago.

Democracy in Crisis | Philosophy Talk

Carothers is a leading authority on international support for democracy, human rights, governance, the rule of law, and civil society. Given the severity of the crisis, short-term postponements are understandable. In many countries, holding elections in the current context would create significant risks for voters as well as poll workers.

How Will the Coronavirus Reshape Democracy and Governance ...

Introduction In light of the public and scholarly debates on the challenges and problems of established democracies, such as a lack of participation, declining confidence in political elites, and the deteriorating capabilities of democratic institutions, this volume discusses the question whether democracy as such is in crisis.
