Expressionist Depictions of War. German Expressionists, many of whom fought in World War I, depicted the shattering experience of war. At the outbreak of World War I, in 1914, the bold colors and jagged angles of Expressionism found a new purpose. Many of the Expressionists were initially in favor of the war,

Uncensored images had mixed affects. The impact of television coverage of the Vietnam War was meaningful, but probably in a different way than is usually explained. The traditional view holds that Americans watched the news in horror and were pushed against the war by graphic and misleading portrayals of the war.
