LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### Dove Arising Chronicles 1 Karen

Dove Arising book review. I think Dove Arising, by Karen Bao, is a really compelling dystopian novel. The setting of this book starts on the moon, where hundreds of people have escaped the crumbling earth to live somewhere else. The technology on the moon is so advanced that the government can send anything to civilians, smartwatches.

### Dove Arising (Dove Chronicles, #1) by Karen Bao

## **Dove Arising (Dove Chronicles, book 1) by Karen Bao**

Dove Arising is Karen Bao's first book, and a pretty ambitious one. It takes place in the distant future, in a utopian society built on the surface of the moon after the earth's resources fail. The story centers around a young girl named Phaet Theta who has to find a way to keep her family from being thrown out of their home while their mother is quarantined.
