### **Reading Order | Lynn Hagen**

Wolves prefer to live in packs, but at the same time, they can be found living in isolation. Dreaming of wolves indicates that you are a lone wolf who desires to live life in solitude. You prefer approaching a situation in your own way, unlike blindly following the conventional methods.

Wolves lead at the break. Wolves lead 2-0 at the break and have been dominant right from the off. Big half-time team talk now for manager Chris Wilder. United took a while to get over the shock of those two early goals but have managed to enjoy some decent spells of possession towards the end of the first half.
