Re: Ford FE 360, 361
and 390 engines...
help? Brad, I've built an
FE or three in my day.
Fun engine, heavy
engine, kinda pricey
engine to find
performance parts for
BUT at least parts are
out there for it. I'd look
for a 390 as you did
say you wanted to
install a stroker kit. So
this would be the
cheapest route.

Runs

The Ford 351 Windsor was first introduced in 1969 and was quite a breakthrough in regards to the ways Ford produced its V8 engines. When Ford introduced the 302 to replace the 289 the engines were very similar and even used the same pistons.. The 351 Windsor was in a league of its own because of its heightened deck block,
