Frostgrave: Ulterior Motives Micro Review

Ulterior Motives is the type of product that breathes new life into missions that one has already played. It takes Frostgrave and turns it into a game about more than just collecting treasure and carrying it off the map. Ulterior Motives could be used for the base game and most of the campaign books too, which makes it a highly useful expansion.

Frostgrave: Ulterior Motives comes from my desire to add 'subplots' to the game, something like the fantastic subplots table found in the original Rogue Trader book many years ago. The more I thought about it, and worked on it though, the more I encountered a problem. Wizards are by their very nature a secretive lot.
