Engines For Sale | All States Ag Parts

The International Harvester Company (IHC) has been building its own proprietary truck engines since the introduction of their first truck in 1907. International tended to use proprietary diesel engines. In the 1970s, IHC built the DVT 573 V-8 diesel of 240 and 260 hp (179 and 194 kW) but these were not highly regarded and relatively few were sold.

Farmall Parts - Yesterday's Tractors

It's not uncommon for a tractor that has been sitting a while to become stuck. If your tractor's engine is stuck from sitting, there's a good chance you'll be able to free the engine without resorting to an extensive overhaul (a tractor that becomes seized while running or is seized from running out of oil is a different story).
