Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

Jeppesen Private Pilot Manual Chapter

The Private Pilot Manual is packed with useful and important information, like several of the FAA publications put together but more graphic intensive and a bit easier to read. Everything I would expect from Jeppesen. Each section ends with a summary and a list of key terms, as well as questions to help you burn the knowledge better into your mind.
