kiss guide to playing golf at Kitabain.com

I was tired of being left behind while my boyfriend hit the green with his buddies, so I picked up the KISS Guide to Golf and learned to play! The author, Steve Duno, did a terrific job of guiding me through the basic rules and postures of the game in a step-by-step format that was really easy -- I learned more in these 400 pages than I have in years of hanging around experienced golfers!

2. Bring your club back and parallel to the ground first. When lifting the club, the order from out to in should go clubhead, hands, arms, shoulders, hips. Your dominant arm should stay close to your side, and as you pass your dominant-sided leg with your hands, your weight should start shifting to that leg.
