Wartime sexual violence is rape or other forms of sexual violence committed by combatants during armed conflict, war, or military occupation often as spoils of war; but sometimes, particularly in ethnic conflict, the phenomenon has broader sociological motives. Wartime sexual violence may also include gang rape and rape with objects. It is distinguished from sexual harassment, sexual assaults ...

e. International humanitarian law ( IHL ), also referred to as the laws of armed conflict, is the law that regulates the conduct of war ( jus in bello ). It is a branch of international law which seeks to limit the effects of armed conflict by protecting persons who are not participating in hostilities, and by restricting and regulating the means and methods of warfare available to combatants .

## **Geneva Convention - HISTORY**

After attending a great panel at ESIL in 2014 on International Law and Film, I've been thinking about how to integrate film into my public international law class. I've compiled a list of international law films (with help from colleagues and fellow bloggers) that make for excellent viewing. In a subsequent post, I'll offer some thoughts about teaching international law through...
