Long Range Shooting Handbook [44.09 MB]

This course and books are valuable for any level of shooting experience, from a complete beginner to those that have been shooting for years! It covers all the basics needed to understand the sport of Long Range Shooting in detail, so if you have a basic understanding of what a rifle is and how it is used this course will teach you new skills so that you can become a better shooter, fast.

Long Range Shooting Online Courses, Books & eBooks

Long-range marksmanship is more than dropping down behind a scoped rifle, getting a sight picture, squeezing the trigger and hitting targets at will. The more you read, the more you'll learn about breathing control, consistent trigger pulls, body position, reading the wind and discerning its value, density altitude, spin drift and all the other factors that come into play.
