Managing Change by Bernard Burnes, 2009, Prentice Hall/Financial Times edition, in English - 5th ed.

## **Managing change (2009 edition) | Open Library**

"Managing Change" examines the concept and practice of change within the broader context of the history, literature and theories of management. The main approaches on strategy development, management and leadership are linked to the processes of organisational change. A wide-ranging selection of case studies provides illustrations of change in a real-world context. This fourth edition reviews ...

Chapter 11 in the fifth edition, which covered the Choice Management - Change Management model, has been divided into two chapters, now Chapters 12 and 13. The new Chapter 13, which is solely devoted to an expanded discussion of the Change process, draws especial attention to the importance of behavioural change.
