### Marine Net Advanced Course Answers

The Marine Corps' philosophy of training is derived from the mandate: to provide combat ready units to the nation. It is the Marine Corps' responsibility to ensure that both regular and reserve components are properly trained so Marines can survive and succeed in combat. • We attribute our continued success on the battlefield to this philosophy.

Non-lethal weapons, also called less-lethal weapons, less-than-lethal weapons, non-deadly weapons, compliance weapons, or pain-inducing weapons are weapons intended to be less likely to kill a living target than conventional weapons such as knives and firearms.It is often understood that unintended or incidental casualties are risked wherever force is applied, but non-lethal weapons try to ...

**Non-lethal weapon - Wikipedia**

Depends on the course, certain courses do not track failures unless you fail the test 3 times for example. In which it will maintain your failing score until you retake the course and exam. A couple of courses offer practice tests, you can skip through those and then write down the review and move on to the test.

**Question about MarineNet courses : USMC**

Basically I had to screenshot every single slide on the marine net course, and then reference them as I was taking the test. I think I have most if not all of my screenshots on my computer and I can e-mail them to you if you'd like. I too looked all over the internet for the answers before I had to resort to this painstaking method.
