Music Therapy + Early  
Childhood = MAGIC!

Research shows again  
and again that music is  
a powerful ally in  
supporting the  
development of young  
children. Motor,  
language, speech,  
cognitive, emotional,  
expression- all can be  
addressed during a  
well-crafted musical  
experience.

Music and Early  
Childhood Education.  
Anybody working in  
early childhood  
education uses music  
in some form. This is  
because young  
children respond  
differently to music  
than to the spoken  
word. It piques their  
attention. Music is a  
form of creative play
