My Life With The Chimpanzees
Jane dreamed of a life spent working with animals, and when she was twenty-six years old, she ventured into the forests of Africa to observe chimpanzees in the wild. During her expeditions she braved many dangers and she got to know an amazing group of wild chimpanzees—intelligent animals whose lives, in work and play and family relationships, bear a surprising resemblance to our own.

Jane Goodall: My Life with the Chimpanzees (TV Movie 1995 ...
It is a short autobiography. We all liked the fact that it started with Jane's life as a young girl and then detailed how she ended up working with chimps. It also discussed her life with the chimps in detail, how she set up camp (her mother stayed with her at first, which I think is a charming detail) and various adventures that she had.
