According to a 2008 American Nation Election Study Poll, 71 percent of blacks¹ who are registered to vote self-identify as Democrat. In contrast, just 2 percent of registered blacks identify as Republican, and 23 percent as Independent.² This makes blacks the most asymmetrical of the major political subgroups in party identification terms.

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). **Wildcard Searching** If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.
