The Genesis flood narrative is a flood myth found in the Tanakh. The story tells of God's decision to return the Earth to its pre-creation state of watery chaos and then remake it in a reversal of creation. The narrative has very strong similarities to parts of the Epic of Gilgamesh which predates the Book of Genesis. A global flood as described in this myth is inconsistent with the physical findings of geology, paleontology and the global distribution of species. A branch of ...
