On Photography

On Photography On Photography is a 1977 collection of essays by Susan Sontag. It originally appeared as a series of essays in the New York Review of Books between 1973 and 1977.

On Photography - Wikipedia

As everything she wrote, Susan Sontag's book on photography is brilliant. It is a set of essays on the "philosophy" of picture-taking and the meaning of photography in the modern (ca. 1970) world. Anyone interested in the social roles of photography will find this book fascinating and thought-provoking.

On Photography 3 a narrowly selective interpretation, a photograph can be treated as a narrowly selective transparency. But despite the presumption of veracity that gives all photographs authority, interest, seductiveness, the work that photographers do is no generic exception to the usually shady commerce between art and truth.
