Jamie N Commons Lyrics. "Paper Dreams". Hmm, hmm. Hmm, hmm. It's been a hard time living here out by myself. It's been a hard time caring now 'bout someone else. 'Cause when that girl gone left I nearly lost my mind. It's been a long time coming but I feel alright. And I'm feeling alright, now.

'Cause every night I lie in bed. The brightest colors fill my head. A million dreams are keeping me awake. I think of what the world could be. A vision of the one I see. A million dreams is all it's gonna take. A million dreams for the world we're gonna make.

# Access Free Paper Dreams Lyrics

I take some paper on my hand, And with  
a pencil draw a man The dream of what  
I'd really, really like to be. A man with  
courage in his brow, Who's licked his  
doubts and fears somehow, A warrior of  
great nobility. But who am I? Just a  
wandering kid. A cipher on the wall, not  
even brave at all! And where's my  
dream like his that I would fight for?

There's a battle ahead Many battles are  
lost But you'll never see the end of the  
road While you're traveling with me Hey

now, hey now When the world comes in

Pains is blue Wherever she goes Don't

There ain't no love, or maybe one or two

# Access Free Paper Dreams Lyrics

And I don't wanna let you down Oh when  
the drums start coming through the bar  
A paper dream It's not just for someone  
else, you know It's a paper dream When  
you feel so old, and you feel like nothing  
A paper dream Does it make you feel  
like no-one else?
