But theatre students learn that just "getting it done" isn't enough. Not at all. It goes beyond that. You learn to do it correctly. In theatre we learn that merely "getting the show on the boards" is pure bush league and totally unacceptable. Whatever your theatrical job--tech, performing, research, management--it has to be done right .

Some musical styles focus on producing songs and pieces for a live performance, while others focus on producing a recording that mixes together sounds that were never played "live." Even in essentially live styles such as rock, recording engineers often use the ability to edit, splice and mix to produce recordings that may be considered "better" than the actual live performance.
