Russian Mass Media And Changing

Based on extensive original research by scholars in both Russia itself and in Finland, the book discusses new developments in the media industry and assesses a wide range of social and cultural changes, many of which are related to, and to an extent generated by, the media. The book argues that the Russian mass media industry, whilst facing the challenges of globalization, serves several purposes including making a profit, reinforcing patriotic discourse and popularizing liberalized lifestyles.

Russian Mass Media and Changing Values - Arja Rosenholm ...

The mass media in Russia refers to mass media outlets based in the Russian Federation. The media of Russia is diverse, with a wide range of broadcast and print outlets available to the consumers. Television, magazines, and newspapers are all operated by both state-owned and for-profit corporations which depend on advertising, subscription, and other sales-related revenues. Even though the Constitution of Russia guarantees freedom of speech the country is plagued by both government and self-censo

And unlike in 2016, when Russia used bogus social media accounts or bots to wage a misinformation campaign, this time they're being spread by legitimate American social media users. "It's certainly an influence campaign," Nina Jankowicz, a disinformation fellow at the nonpartisan Wilson Center, said of the recordings.
