They're still comfortable, but they're a little more polished." The trick is to be comfortable. "I do like the idea of ease and comfort, and I think most men do, too." † Table of Contents † #4 Clothing Hacks. I have some of my favorite clothing saving tricks to keep your clothes looking nice over time:

Fashion Psychology: What Your Choice in Clothes Say About You

Comfort is most important to Baby Boomers (32% compared to 21% of Millennials) while style/trendiness is the least important. Comfort is even more important than price. The opposite is true for Millennials, who will sacrifice comfort to look on point, and put the price of clothing above comfort in terms of importance.
