Free Social Stories About Manners & Being Polite | And ...

We all have many different types of intelligence or "smarts" in our brains. At school and home we have spent a lot of time building up our science smarts - which is a good thing. But did you know that there are other smarts that are just as important? Social smarts are something we've all got to work on building, but sometimes we don't pay enough attention to how we can learn them.

Socialthinking - Social Smarts and Science Smarts

Here are a list of some of the most forgotten manners that need to be reintroduced into today's society for better community living. Saying "Please" and "Thank you." I feel like this was the very first set of manners I was taught when I was a child and yet, this is the most unused set of manners today!

The Lack Of Manners In Today's Society

Social Etiquette covers the art of conversation, introductions, presenting oneself, telephone manners, and thank you notes. Style & Grooming includes skin/hair/hand care (including a manicure), nutrition and exercise, as well as creating a spa experience at home; students also are taught the difference between being well dressed and just being dressed and how to handle their wardrobe.
