Spiritual Solutions To Economic Problems

The solution calls for the combined application of spiritual, moral and practical approaches. A fresh look at the problem is required, entailing consultation with experts from a wide spectrum of disciplines, devoid of economic and ideological polemics, and involving the people directly affected in the decisions that must urgently be made.

Spirituality: The Surprising Solution to Our Economic Problems

The sources of problems lie both in the material world as well as in the intrinsic world of consciousness. Bhagwan Mahavira was a mantradata - a preceptor of short-cuts to precise solutions to intricate problems. One of his mantras to solve problems was based on the principle of bringing harmony between two extremes. So he said, "One who is cognisant of the intrinsic is cognisant of the ...
