Presidential Reflections on U.S. Intelligence: George H.W. Bush. From President Truman on, each President has written a note of thanks to the men and women of the CIA. These notes are displayed with the President's official photograph in the Presidential Gallery of the New Headquarters Building. This story is the second in a series about the relationship each president has had with the CIA.

George W. Bush. Dear Max, our government is spending money on battery technologies that would enable automobiles to drive the first 20 to 40 miles using electricity. This, coupled with ethanol, is the main thrust of our initiative to become less dependent on oil. I appreciate you for sending in your question.
