Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

The Art Of Annie Lee

Ever since taking the art world by storm during her first gallery show in 1985 at the age of 50, where her artwork sold out in just four hours, Annie Lee has been a central and celebrated figure in the world of art. Her style was labeled by art commentators as "Black Americana" due to her use of scenes of everyday African American life, the animated emotion of the personalities and two-dimensional figures.
