Often called the first Arts & Crafts building, Red House was appropriately the residence of William Morris and his family, built within commuting distance of central London but at the time still in the countryside. It was the first house designed by Webb as an independent architect, and the only house that Morris

Maintenance: An Inquiry into Values (ZAMM) is a book by Robert M. Pirsig first published in 1974. It is a work of fictionalized autobiography, and is the first of Pirsig's texts in which he explores his "Metaphysics of Quality". Pirsig received 126 rejections before an editor finally accepted the book for publication—and he did so thinking it
