(From a manuscript attributed to Malasin Calvah, Taxonomist to Kleron Nuasti Cau, fifth of his name) The ordering and arrangements of the thirteen races of humanity by blood, order of precedence, mating combination, or purpose is, by necessity, the study of a lifetime. It should occasion no concern that the finer points of the great and complex creation should seem sometimes confused and obscure.

In comparison, The Dragon's Path reads more like a traditional fantasy, a pseudo-feudal realm of nobles and commoners. But some elements of the fantasy setting here are quite original. The world of Dagger and Coin is fantasy post-post-apocalyptia, built on the ruins of an advanced civilisation of dragons that ruled over humanity. These dragons built invincible roads and created great cities, and also genetically engineered twelve races of humanity from primal stock - "Firstblood ...
