The Triangle Of The Scene

In The Triangle of the Scene, veteran improv teacher and performer Paul Vaillancourt lays out a simple set of tools that enable improvisors old and new to use the three basic elements of a scene to super-charge their work and take it to the next level.

The Triangle of the Scene: A simple, practical, powerful ...

The triangle of a scene includes: What am I doing? What are you doing? What is the goal? He asserts that by defining who your character is or who your scene partner is it will be easier to stick to the relationships and game. My improv group has tried this out, using obvious character building details and it makes the scenes much easier.

The Triangle represents 'three minds' that contain knowledge within a scene: the Protagonist, the audience, and any other Character in the scene. According to Williams, tension is created or enhanced when one of the three corners of the triangle is deprived knowledge (or "kept in the dark") in the scene.

The Triangle of Knowledge - Wikipedia

This exposure triangle concept is simply the amount of exposure time (measured in seconds) that the camera's shutter is open allowing light to hit the sensor to make an exposure. The higher the number, the fast the shutter will open and close. Slower speeds give a long exposure time for the sensor to collect light and produce a higher exposure.
