Joy Slapp, PhDStacy Singleton. Although trial consulting has been around for more than 20 years, it (along with many aspects of the legal system) became visible to the American public during the O. J. Simpson trial. The field of trial consulting is not limited to scientific psychology. As you might expect, there are consultants with backgrounds in clinical psychology and the other social sciences (e.g., sociology and anthropology), as well as those with backgrounds in law, communications, ...
