Vanishing Kingdoms The Irish Chiefs

Vanishing Kingdoms combines an account of aristocracy and its history in Ireland with an interview-based description of twenty recognized Irish chiefs of the name and their family backgrounds. Three of them, The O'Brien, O'Connor Don and The O'Neill, have legitimate claims to high kingship; all are descendants of territorial kings and sub-kings. For the most part shorn of their privileges ...

This article lists some of the attested Gaelic kingdoms of Early Medieval Ireland prior to the Norman invasion of 1169-72.. For much of this period, the island was divided into numerous clan territories and kingdoms (known as túatha). These túatha often competed for control of resources and thus they continually grew and shrank (in both size and number).
