technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

First Blood is the only movie that critics adored in the franchise and the very first notable difference between it and the book is the name of the protagonist. In David Morell's novel, he was never referred to as John Rambo in any scene. He was only called Rambo. John Rambo isn't such a bad name though it was
