Angling toward a better planet: How fly fishing can teach ...

What Fly Fishing Teaches Us 96 Pages, 7" x 6", Hardcover. Fly fishing is a noble sport whose avid practitioners learn the skills of finesse, observation and technique-and that would be great if it all stopped there. But fly fishing is more-oh so much more-than the stream side perfection of a mere handful of angling skills.

Fishing is widely accepted as a safe, wholesome, and non-controversial lifetime outdoor activity. The founders of the National Fishing in Schools Program ("Fishing in Schools") designed it so young people everywhere, whether urban or rural, could learn angling skills during their regular school day and then decide on their own how and where to apply those skills.
